Transactions & contract drafting

Corporate transactions, complex contract structures, legal advice across the full range of corporate law, from restructuring to corporate housekeeping, taxes: We advise corporate clients and individuals on all matters of commercial law. We help you select the best transaction structure, we advise on the preparation and execution of due diligence reviews, and draft transaction contracts. We conduct contract negotiations and, if the client so requests, even structure the complete transaction process.

Practice areas (selection)

- Company acquisitions, MBOs, privatisations
- Conversions and reorganisations
- Commercial and corporate law (corporate housekeeping)
- Public enterprises, privatizations and complex restructurings in the public banking, energy supply and healthcare sectors
- National and international taxes
- Excise duties
- Customs and foreign trade

Comprehensive expertise

When management or internal legal departments encounter complex contractual or special corporate law issues, our highly experienced Corporate and M&A team will bring in its expertise and advice and will even support clients' corporate housekeeping. In more complex cases at the interface of other areas of law, we pull experts from other areas into the case after consultation with the client.
