

## Tassilo Schröck

senior associate

### Career

Studied law in Munich and Beijing from 2011 to 2018. First state examination in 2018. 2018 to 2019 part-time research assistant to Prof. Dr. Manssen, Chair of Public Law, esp. German and European Administrative Law, University of Regensburg. Legal traineeship in Regensburg, Munich and Brussels with a station at the European Commission in the Internal Market Directorate General. 2020 Second state examination. Since 2020 PhD student with Prof. Dr. Wollenschläger, Chair of Public Law, European Law and Public Economic Law, University of Augsburg and working as a lawyer. 2022 Research stay at the University of Paris 1 Panthéon-Sorbonne.

2022 Joins the law firm.

### Practice

Public procurement law, public commercial law, constitutional law, European law.

Regular lecturing activities, in particular for federal and state authorities.

Advice and representation of public clients and companies on the award of public contracts and other government procurement procedures in all sectors: including procurement support for a major sporting event in Munich (European Championships 2022, 2020-2022), a EUR 900 million project to promote green hydrogen (since 2022), a tender for conference technology with a value of EUR 72 million (2024).

Advice and representation on fundamental issues of constitutional, EU, public procurement and administrative law, in particular on restructuring and cooperation in the public sector: including expert opinions on questions in the run-up to the privatization of a federal company (2023), on the compatibility of a reform of Section 46 EnWG with EU law (2024), on the design of several federal-state cooperation agreements (2024).
